### **Equine Assisted Learning: Free Discovery Weekend**

Dear Ms Stanton

I would like to invite you and the staff, parents and pupils of Gosberton House School to Inspired Equine Assisted Learning CIC's Free Discovery Weekend at Sunset Farm, Fosdyke on March 19<sup>th</sup> & 20<sup>th</sup> 2016. This is an event for everyone who wants to find out more about the benefits of Equine Assisted Learning (EAL). The sessions will run from 2pm to 4pm. I have included a poster to advertise the event and our Introduction To EAL leaflet.

EAL is a unique learning experience that uses horses as active participants. It does not involve riding and no prior experience with horses is required. EAL can help people from all kinds of backgrounds, but has been shown to be especially beneficial to children on the autistic spectrum and those with learning and social communication difficulties or a physical disability.

On Saturday the focus is on families and children and there will be opportunities for everyone to meet the horses and ponies and if they would like to, to participate in the demonstrations of various EAL activities.

On Sunday there will be further demonstrations to show how EAL can be used to improve teamwork, leadership and communication skills.

I hope you will be able to attend and I look forward to meeting you. If you require any further information about the weekend or EAL please don't hesitate to call me on 07729 909186 or see our website: [www.inspired-eal.co.uk](http://www.inspired-eal.co.uk).

Yours sincerely

Mike Burrow, Director, Inspired Assisted Learning CIC.
