Dear Andy and Louise

I would like to take the opportunity to congratulate the Lincolnshire Educational Trust, Gosberton House Academy and the governing body and all members of staff on maintaining the outstanding judgement at the school following the short Ofsted inspection conducted in May 2019.

I was particularly pleased to read about the relentless focus of the leadership and the strength and rigour of the governing body in developing the school and further sustaining an outstanding quality of provision. It is excellent to read about the 'children first' culture at the school ensuring that every pupil is encouraged to achieve their very best. The positive impact the academy is having more widely in the community, evidenced through the comments provided by parents, carers, staff and pupils, is also very pleasing to note.

I know how much hard work and commitment this represents from both of you as Principal and CEO but also from staff at all levels within the school and trust.

Congratulations again on such a positive report. I look forward to continuing to work with the trust as you expand further to support University Academy Long Sutton in the coming months.

Yours sincerely

John Edwards
Regional Schools Commissioner, East Midlands and Humber
