

Summary of Parent/Carer Questionnaire 2018

Biannually, we send out a parental/carers questionnaire. Your views are very important to us and help to make Gosberton House Academy a very special school. This information then feeds into our School Development Plan. Thank you very much for your contributions and for helping us to improve our school.

Some of your recent comments:

'Thankyou for doing a fantastic job with our children'..

'I have no concerns or worries'

'Bullying..I feel confident if it did arise it would be dealt with in the most correct and effective way'.

.'My son feels very happy going to school. He tells me what he has been up to as soon as he walks in the door'.

.'There is consistent events to encourage learning'..

A family trip to the beach in Summer or a trip to the Museum ?'.

.'We have been very impressed with the school and how it has developed my son.Thankyou'..

'My son has come on massively educationaly and in himself and that's all thanks to GHA 'This school has changed not only my sons life but all of ours as a family, 'I think there is a great range of school events.

...'Gosberton House is helping my child - he has come on socially and emotionally. I am impressed and happy to have found a good school that understands my child'... Teachers give all information about my child, what he does in school.

It would be great if some social activities could be organised maybe outside of school chance to join in.

Thank you very much for your support.

Last year we aimed :-

- To improve the quality of information that we provide via Tapestry -making more use of Tapestry to evidence IEP/ EHPC target progress and levels of achievement
We hope that you agree that this has been successful. You will also see that we are including more discussion questions. This is designed to help your child to use more school based skills at home and more home based skills within school. Thanks for your help.
We are also trying to use Tapestry as our primary means of Home/School communication including [as an Eco School] send you information and letters.
- Enhance Family Learning to engage as many families as possible

We have enhanced the number of Mums, Dads, Lads, Lasses sessions; timetabled in more 'celebration' activities; increased the number of courses we run -including EarlyBird Plus; Sensory Saturdays; invited you to join school planned visits

- Offer more opportunities for out-of-school socialising including more 'discos and film nights.

We have tried to include more celebration activities including Film Night. If you have ideas and would like to organise a social activity, please do let us know. Thanks this doesn't need to be school based and could be something like a meet-up at the local Play Barn. School will be happy to publicise this for you.

- Improve outdoor play areas with the creation of more all-weather surfaces *All works completed. We now have 50% more all weather play space. This will be great for the winter months and will enable us to be outside more. Key Stage One and Owl class now have outdoor themed play sheds.*
- Refurbish children's toilet facilities Key Stage Two *All works completed -what an improvement!*

As a result of your feedback, this year we aim to:

- Continue to try to offer [with your support] more opportunities for socialising outside of the school day and beyond the classroom
- Ensure that we are sharing information about events and activities that are happening in your local areas-see website (please let us know if anything is not upto-date)
- Improve the quality of information that we share through the newsletters/ Tapestry- please send in anything that you would like us to publicise

Thank you

Working Together Learning Together for a better future for your child.
