

## **Short Break Holiday Caravans**

The Short Break Holiday Caravans are for families living with children who have a physical disability, sensory impairment, autism or similar condition which demonstrates challenging behaviour.

All families caring for a child, including adult children that meets the above criteria are now eligible, whilst school holiday time bookings will be reserved for families with a child aged 25 years and under.

There are two caravans located at Butlin's in Skegness and are available between March & November each year. One caravan is disability adapted and the other is located in a quieter area of the site targeted at children with sensory / autism needs.

Holidays are only available to families living in Lincolnshire County Council area as the rental for the holidays has been subsidised by the Council.

The Short Break holidays available are split into:

*Monday to Friday or Friday to Monday*

**Prices range from £150 to £250 which includes wristband access to the facilities at the main Butlin's resort.**

**All Short Breaks are self catering.**
